## INTRODUCTION / ABOUT US

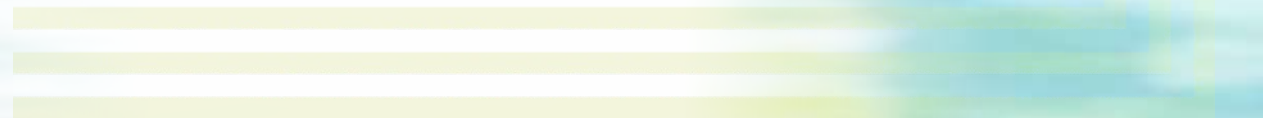

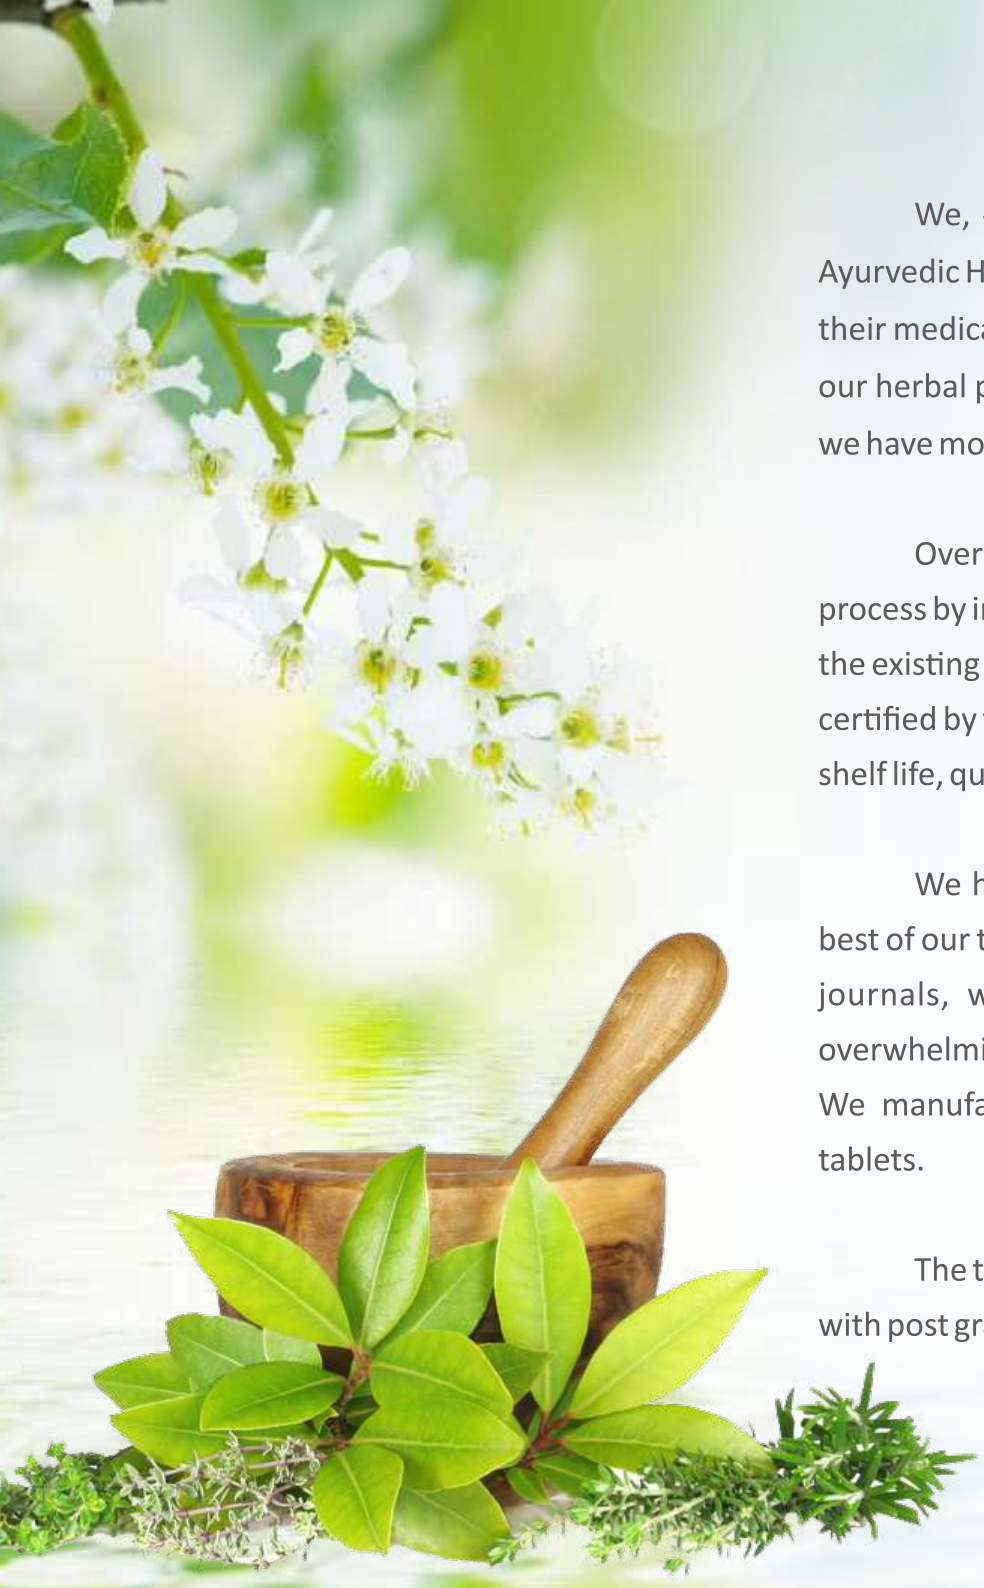

We, ***Simandhar Herbal Private Limited***, the manufacturers of Quality Ayurvedic Herbal products since 2001, always thrive to serve our beloved customers with their medical needs, to keep them strong and healthy by taking care of ailments through our herbal products acting as medicines in the most natural way and by giving our best, we have more than 20 years of experience and research in this industry.

Over the years, this company has transformed its formulation and manufacturing process by incorporating new systems, latest machinery, and proven approaches to make the existing product line more effective. The entire manufacturing unit of this company is certified by the authorities. The excellent approaches adopted by this brand enhance the shelf life, quality and effectiveness of the manufactured Ayurvedic herbal products.

We have license certified products and have done clinical trials for offering the best of our treasure, we have many quality certificates and have our articles published in journals, we have also participated in many events and exhibitions, receiving overwhelming response and business from the visitors.

We manufacture herbal products in different categories i.e. liquids, powders, oils, tablets.

The top management family includes engineers and master graduates from USA with post graduates M.D Ayurvedic physicians/doctors in our team.
